

2025 State Anti-Fluoride Legislation

This document provides a brief overview of anti-fluoride legislation that's been introduced in state legislatures. This list is current as of 1/21/25. For additional information, please click on the bill links or refer to [ADEA's U.S. Legislative Tracking Map](#).

State and Bill Number	Summary	Status
AR SB 2	Repeals the statewide fluoridation program and removes the mandate for water systems to maintain a fluoride content.	Introduced 1/13/25
AR SB 4	Allows voters to elect "for" or "against" water fluoridation.	Introduced 1/13/25
HI HB 540	Prohibits the addition of fluoride to a public water system. Preempts and voids conflicting laws, executive orders, ordinances, regulations, or rules.	Pre-filed 1/17/25
KY HB 16	Makes community water fluoridation optional. Allows the governing bodies of water systems subject to regulation by the Cabinet for Health and Family Services to decide whether they participate in water fluoridation programs.	Introduced 1/7/25
MA HD 3430	Prohibits the state from augmenting fluoride concentrations in municipal water by the addition of fluoridation water additives.	This is a proposal for bill text. A bill has not been officially filed yet.
MA HD 4176	Prohibits the state from augmenting fluoride concentrations in municipal water by the addition of fluoridation water additives.	This is a proposal for bill text. A bill has not been officially filed yet.
MA SD 227	Prohibits the state from augmenting fluoride concentrations in municipal water by the addition of fluoridation water additives.	This is a proposal for bill text. A bill has not been officially filed yet.
MA SD 2432	Allows a municipality to end or suspend a community water fluoridation program through a local ordinance or a water commissioner decision if the commissioner determines that in their opinion, the water fluoridation program is posing a risk to consumers, workers, infrastructure or environment.	This is a proposal for bill text. A bill has not been officially filed yet.
MA SD 2446	Allows a municipality to end or suspend a community water fluoridation program through a local ordinance or a water commissioner decision if the commissioner determines that in their opinion, the water fluoridation program is posing a risk to consumers, workers, infrastructure or environment.	This is a proposal for bill text. A bill has not been officially filed yet.
MA SD 2597	Requires the department of public health, in consultation with the United States Environmental Protection Agency, to develop, to the extent necessary, warning notices regarding the impacts of drinking water fluoridation, for distribution in an appropriate manner to customers of public water suppliers who supply water that contains fluoride.	This is a proposal for bill text. A bill has not been officially filed yet.
ND HB 1605	Prohibits the addition of any form of fluoride to any public water supply for the purpose of fluoridation, regardless of the intended concentration. Creates a \$500 fine for a first violation and a \$1,000 fine for a second and subsequent violations.	Introduced 1/20/25
NH LSR 0528	Prohibits the addition of fluoridation chemicals to public water systems.	This is a proposal for bill text. Text has not been written, and a bill

		has not been officially filed yet.
<u>UT HB 81</u>	Prohibits adding fluoride to public water systems. Requires the Department of Health and Human Services to issue standing prescription drug orders for fluoride supplements. Requires a pharmacist who dispenses fluoride supplements to a patient to provide patient counseling.	Pre-Filed 1/2/25
