2022 ADEA Distinguished Service Award

DENNIS MITCHELL, D.D.S., M.P.H.

Dr. Mitchell is the Executive Vice President (EVP) for University Life and Senior Vice Provost for Faculty Advancement at Columbia University, and Professor of Dental Medicine at Columbia University Medical Center. As EVP, he focuses on enhancing the experience of every Columbia University student through programs, partnerships and initiatives that foster core community values of inclusion and belonging, sexual respect, health, well-being and community citizenship. As Senior Vice Provost, he implements the programmatic elements of the university’s ongoing $185 million commitment to enhance the diversity of the faculty, and works with Columbia University’s schools to strengthen their diversity initiatives.

Since joining the Columbia faculty in 1991, Dr. Mitchell has shown a deep commitment to the oral health needs of underserved populations in the communities surrounding the school. From 2004, he served as the first diversity-focused dean at a U.S. dental school as Senior Associate Dean for Diversity for the Columbia University College of Dental Medicine, where he led the effort to increase the proportion of historically underrepresented students in each incoming dental class from 3% to 20%.

Funded by the ADEA/W.K. Kellogg Foundation, he served as Columbia’s Institutional PI for the Minority Dental Faculty Development Program. He was also Co-PI for Columbia’s Summer Health Professions Education Program, funded by the RWJ Foundation, and for the Summer Public Health Scholars Program, funded by the Centers for Disease Control and Prevention. Together, these two student pathway programs bring over 125 underrepresented scholars to Columbia University each summer.

Previously, Dr. Mitchell was Director of Columbia’s Harlem component of the Community DentCare Network and Director of Research and Community Dentistry at Harlem Hospital. He oversaw the development, implementation and evaluation of Columbia’s offsite dental service programs in Harlem, which now have over 20,000 patient visits annually.

Dr. Mitchell currently serves on the board of the Upper Manhattan Empowerment Zone and is Co-Chair of ADEA’s Diversity and Inclusion Advisory Committee. He is the Council of Representatives Chair and member of the Health Professions chapter for the National Association of Diversity Officers in Higher Education, and a founding member of and Columbia representative for the Faculty Advancement Network.
